

JESUS IS KING.

10/22/2023 PM.

INTRODUCTION:

A. Read the text: **Rev. 17:14.**

B. Regarding the text:

1. Three times in the New Testament, Jesus is referred to as King of Kings. (**Rev. 17:14; 19:16; 1 Tim. 6:15**).
2. As King, he is the ruler. All others therefore are subject to him.

C. Unfortunately, most people do not believe that Jesus is King of Kings. They talk about it, and around Christmas sing songs about it and have religious plays about it, but they do not really believe it.

1. If he is truly accepted as King, then none would do anything but obey him.
2. How sad that we will not give Jesus the honor God says he deserves.

DISCUSSION: LET US EXAMINE THIS IDEA OF JESUS AS KING.

VI. CONCLUSION:

A. Since Jesus is King, we must submit ourselves to His authority.

2. Obey His gospel (**Heb. 5:9; 2 Thess. 1:8**).

B. Everyone will stand before Him to be judged (Rom. 2:16**).**
