Jeremiah 2:11 "Hath a nation changed their gods, which are yet no gods? but my people have changed their glory for that which doth not profit."

America—About to Die?

Thomas B. Warren (8/1/1920 – 8/8/2000)

A nation is a lot like a person. It is born. It lives. It grows old. It dies. Many great nations have arisen during the history of the world. Some of them experienced a pattern somewhat like this: They began with strong spiritual and moral conviction, followed by the growth and eventual dominance of materialism, eventually to be destroyed by moral decay, apathy, and anarchy. Sounds all too familiar, doesn't it?

America began with spiritual conviction, and at least a great many people who meant it when "In God We Trust" was stamped on its money. Then came the industrial revolution, the agricultural revolution, the glorification of materialism in general, and a people who began to trust more in money than in God. Now we see signs of decadence and apathy, the next-to-last stage. As one of the Nobel Peace Prize winners pointed out several years ago, not just in America, but in the rest of the world, our moral fiber is unraveling rapidly.

Is it all over? Is it the end? Is America about to die? Well, that depends upon America. It depends on what we Americans decide. God gives us the choice, both as individuals and nations to follow our way or His way (**Matthew 7:13-14**). It is up to us. He wants us as willing followers, not as robots with no freedom of choice (**Matthew 11:28-30**).

Centuries before Christ, Nineveh, much like America today, was faced with a choice. Nineveh could pursue either its own self-centered course or turn back to God. In what must have been one of the greatest spiritual revivals in history, Nineveh heard God's warning. Its citizens believed God, proclaimed a fast, turned around from wrongdoing, and were saved from destruction (**John 3:5-10**).

The same thing can happen in America today. America has been great. It can be even greater. Our permissiveness, violence, and overindulgence can be either the beginning of the end or the crisis experience that gives us rebirth in God's will. It is up to us which of the two it will be.

America Is Calling Evil...Good!!!

(Author Unknown)

America is calling Evil - Good (**Isaiah 5:20; Micah 3:2**). From the beginning God condemns homosexuals (**Genesis 19:1-29**). Homosexuals and Lesbianism are increasing rapidly in our society because the general public is accepting this ungodly "lifestyle" as a way of life. This "perverted marriage" man to man and woman to woman is corrupting the minds and lives of our children and young people. Several denominational (counterfeit) Churches are now promoting and encouraging these "perverted marriages" and accepting them as active members of their (Satan's) Churches.

It is nauseating to those who serve God and love His Word to witness these "perverted marriages" on television. The drive of women's liberation is to gain complete freedom and license for the homosexual lifestyle.

From the beginning: God created them male and female. Thus, the natural and proper sexual relationship is a man and woman joined together as husband and wife in marriage (**Genesis 1:27-28; 2:18-24; Matthew 19:4-6; 1 Corinthians 7:1-5**). It is unnatural for a man to have sexual relations with another man. It is unnatural for a woman to have sexual relations with another woman. God did not make homosexuals. Their actions are a result of their own lust and evil desires (**James 1:13-14**). What does God's Word say about homosexuals? They are an abomination and sin against God (**1 Corinthians 6:9-10; Romans 1:26-27**). However, homosexuals can be changed (**1 Corinthians 6:11; Acts 2:38**).

If you are guilty of homosexuality, I urge you to be washed, sanctified, justified and quit this sinful practice. We urge readers to investigate the Bible so that they may be enlightened by the profound truth (**John 8:32**).
